Dear Sir:

Received yours of Dec. 11th
and was pleased to hear from
you. Have been waiting to hear
from you as your letter advised
but so far failed to get a letter
as I had expected. What was the
outcome of the Farm system at
the meeting? I saw in the paper

where you held your first meet-
ing in New York I also think
that we can do business with
you for that set of uniforms
if they are reasonable enough
please advise me on the farm
situation also uniforms. I shall
expect an early reply

Respectfully yours
Webster McDonald
